Let God's light shine thru me,
Not on me! Amen!

Life is just easier and more
Fun with friends like this to
Help us live a better way.!

3 legacy weekend:
Recovery Unity Service

I had to learn to dare to be uncomfortable so I could learn a new path forward. I am so glad I did not let my fear of the unknown stop me from this fantastic experience.

These people are on principles and not feelings. You are only as good

As the company you keep. I think I will stick with these fine folks.

This weekend was packed with

laughter, tears, friendship, joy and recovery.

Georgia B.

Sober since 2-1-93

Just like bible camp as a kid, dreaded coming due to fear and then hated going home because of renewed faith.

Jimmy Dean's word for the weekend was Ebullient (cheerful and full of energy). Anu reminded us that living amends and forgiveness are the keys to a happy life. Georgia B said "This weekend has been packed with laughter, tears, friendship, joy and recovery." Larry's phrase was this a Safe Haven for those of us that need one. There is a miracle here!
